POWERSCHOOL PARENT/STUDENT PORTAL

The Edmonton Catholic Schools PowerSchool parent and student portal is a secure website that allows parents and students to access attendance, grades, fees and student information in real time.

IN IT'S SECOND YEAR, IS STUDENT ONGOING REPORTING!

PowerSchool is used for all students/parents from Kindergarten to grade 12. It is critical that you have access to your account. Ensure that you remember your username and password. Once your account is set up you have it for as long as your child is registered with ECSD. You can then log into your account to look at your child’s progress at any time throughout the school year and see the summary reports at the end of January and June.

If you currently have a student in ECSD and have forgotten your username and/or password, please go to the login page at <https://powerschool.ecsd.net/public/> , click on the “forgot username or password” and follow the instructions.
