

WEEKLY NEWSLETTER

MAY 17-21, 2021

Dear Parents/Guardians

During this brief time of online learning I hope and pray that all our families stay safe and well. It is impressive how we can shift to online learning and so many students are engaged and actively doing their assignments and Teams meetings with their teachers. This could not happen without the fantastic support from all parents/guardians. Thank you to everyone for ensuring your child/children have access to their online learning to the best of your ability. You really are the Superheroes in all of this. May God keep you safe and well.

We hope that you plan to have a restful and rejuvenating long weekend. Remember that it is Victoria Day next Monday and there is no school. Have a wonderful week everyone!

Sincerely,

Mrs. Kristy Desmarais
Principal

Mrs. Joanna Schipper
Assistant Principal

HUMANS OF ECSD

Humans of ECSD explores the personal experience of students and staff at Edmonton Catholic Schools. The launch of this annual project coincides with Catholic Education Week and provides an opportunity to articulate the unique blessing that is Catholic education. This digital story-telling campaign takes its cues from the Humans of New York project.

POWERSCHOOL PARENT/STUDENT PORTAL

PowerSchool

<https://powerschool.ecsd.net/public/>

The Edmonton Catholic Schools PowerSchool parent and student portal is a secure website that allows parents and students to access attendance, grades, fees and student information in real time.

Please remember to check out how your child is doing in school on a regular basis. Our recommendation is to check on their progress as least once a month.

PowerSchool is used for all students/parents from Kindergarten to grade 12. It is critical that you have access to your account. Ensure that you remember your username and password. Once your account is set up you have it for as long as your child is registered with ECSD.

If you have forgotten your username and/or password, please go to the login page above and click on "forgot username or password" and follow the instructions.
