Dear Ms. Desmarais:

Thank you and St. Vladimir School for your kind donation of \$550.57 to Sign of Hope and for becoming a beacon to people in need across Edmonton and central Alberta. We are grateful for your generosity and willingness to support the work of Catholic Social Services as we strive to care for and bring hope to people in need with humility, compassion, and respect.

I continue to be amazed and deeply affected by the stories of hope and the impact donor support has on the lives of the most vulnerable. A gift to Sign of Hope changes thousands of lives each year and it is thanks to donors like **YOU** for making this possible.

Thank you for being a Sign of Hope and enabling us to support and uplift the vulnerable when they need it most!

Blessings always,
