POWERSCHOOL PARENT/STUDENT PORTAL

PowerSchool

<https://powerschool.ecsd.net/public/>

The Edmonton Catholic Schools PowerSchool parent and student portal is a secure website that allows parents and students to access attendance, grades, fees and student information in real time.

Please remember to check out how your child is doing in school on a regular basis. Our recommendation is to check on their progress as least once a month.

PowerSchool is used for all students/parents from Kindergarten to grade 12. It is critical that you have access to your account. Ensure that you remember your username and password. Once your account is set up you have it for as long as your child is registered with ECSD.

If you have forgotten your username and/or password, please go to the login page above and click on "forgot username or password" and follow the instructions.
