Engaging Journeys...Embracing Faith

Dear St. Vladimir Parents and Guardians,

As the summer break approaches, we continue to plan for September. We are hopeful of a return to near normal and look forward to welcoming back our online students to in-person learning. There have been many changes recently regarding the COVID-19 pandemic and we understand there may be more which may impact the original learning choice you made in February. If there has been a change in your plans for online or in-person learning, please let us know prior to the end of this school year by emailing 8034web@ecsd.net

We are giving families until **Monday, August 16** to make a final decision between online and in-person learning. Between July 1 and August 16, you can update us on any change to your plans by emailing info@ecsd.net. Please ensure that the name of St. Vladimir School and your child's full name are included in the subject line. **If your intentions have not changed, no response is necessary.**

For the 2021-2022 school year, online elementary and junior high students will attend [Genesis Catholic Online Elementary/Junior High School](#). As a reminder, students choosing online learning would be committed to that choice and will only have one opportunity to return to in-person learning at their community school – at the start of the second semester in February. Parents will be given ample time to let us know their plans.

Important Dates:

Monday, August 16 – Deadline for learning choice

Wednesday, September 1 – First day of school for online and in-person

January 2022 – Students who were registered for online learning will have the opportunity to return to their community school for the start of semester two. This will be the only opportunity to switch to in-person.

Tuesday, February 1 – First day of semester two.

Thank you for your continued patience, cooperation, and understanding.

Sincerely,
Kristy Desmarais
St. Vladimir School
